Good Pair Days

LET'S START BY GETTING ON A FIRST NAME BASIS

What should we call you?

Good Pair Days

We want to make sure we're speaking your language, to help with this, would you consider yourself:

A newbie to wine

Someone who knows a bit, but would love to learn more

Or a budding wine connoisseur who knows their stuff

Good Pair Days

Caught in a Wonka-esque conundrum, you must commit to a single type of chocolate forever. What's your golden ticket?

←

White

Milk

Dark

Good Pair Days

It's Sunday, you're at your favourite brekky spot, you're already caffeinated, but now need a little something to sip on. Do you go for?

←

Cool coconut water

Fresh pressed juice

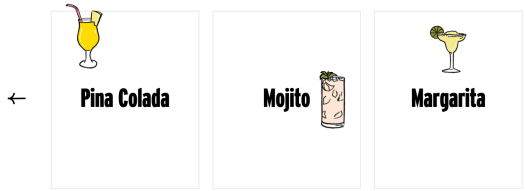

Delicious smoothie

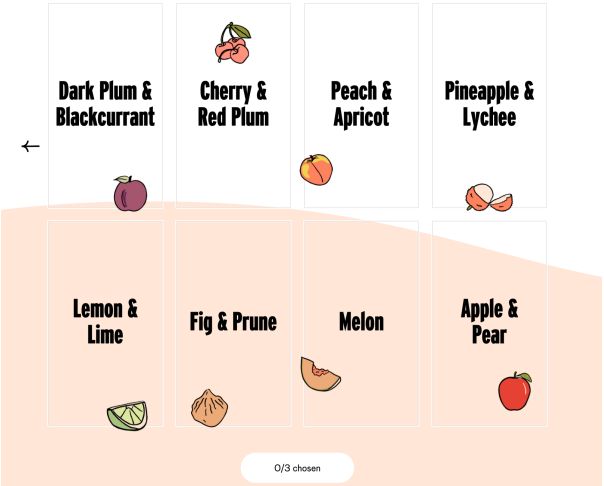

Good Pair Days

Work's finished and you head down to that new bar everyone's been talking about, but they only have these three cocktails on the drinks menu, which would you choose?

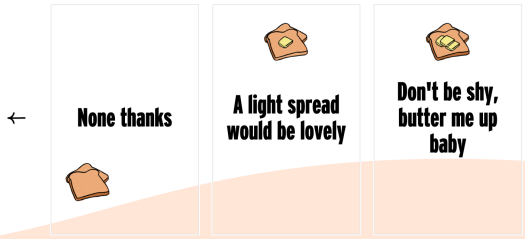

Good Pair Days

You've been given a magic everlasting bowl of fruit, but you can only choose three types to fill it. Which 3 do you choose?

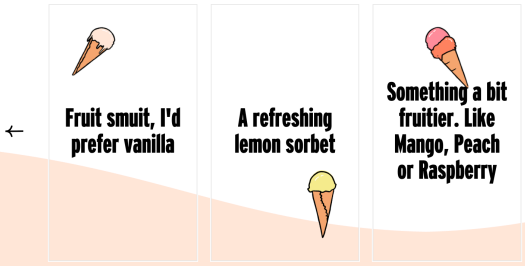

Good Pair Days

Mark, toast just popped, butter poised for action, now picture your perfect buttered-toast moment. How much butter would you apply?

Good Pair Days

This is a very important question. If you could only have one scoop of the options below, which would it be?

Good Pair Days

You're doing really well, only a few important questions left.

Good Pair Days

The evening is winding down. You have a little room left in your belly. Which do you go for?

←

A well-organised cheese plate

A slice of sponge cake

Some colourful macarons

Good Pair Days

You've got three likes to give. And three only. You can give them all to one or spread them out however you like. Which wine colour gets them?
